An Affiliation of Divine Science Ministries

Dear Friends,

Spring 2018

Springtime has arrived and the process of rebirth and renewal in nature has begun. The flowering cherry trees and redbuds are in bloom around my home and the neighborhood children are again playing outdoors. I trust you also are enjoying the beauty of this magnificent season wherever you may be.

As we enjoy the sights of nature opening the blooms of new life, it is the time we can also find joy in renewing our membership in Divine Science Federation International. Our teaching shows us that there are always infinite possibilities for us to experience something greater than what has been in our personal lives and as an organization.

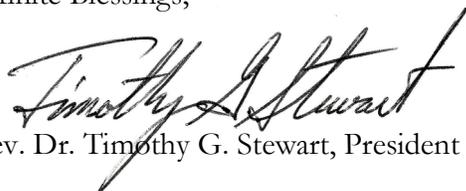

In recent years numerous programs have been added to serve and support our members as we work to share the wondrous teachings of Divine Science. We have expanded the options for growth of the organization by providing additional means for newcomers to study our teachings.

Our biennial conference, another engaging opportunity for growth, will be held this June at Unity Village. We have a great lineup of speakers and presenters with inspiring talks and workshops to create an interactive experience for all who attend. If you don't have all the details please contact Barbara at (802) 779-9019 or email at DSFI@me.com for more information on registering for this spiritually enriching conference.

We recognize God as our source for all good, including our financial abundance. We also know that God works for us by working through us. It is through your commitment to DSFI that we are empowered to continuing sharing Divine Science with the world. Please take a few minutes now to renew your relationship with DSFI for the coming year. You may want to consider a lifetime membership (payments can be made over 12 months) or an additional gift to support YOUR Federation.

We attempt to always be available for our members and affiliates. You may contact the office anytime at the number and email address above or you may contact me directly at (615) 482-4003 or email at Dr.Tim@NewThoughtMinistry.org.

Infinite Blessings,

Rev. Dr. Timothy G. Stewart, President
